The dangerous crises of self-development are permitted to come to pass under the protecting eye of an experienced initiate in the lore and language of dreams, who then enacts the role and character of the ancient mystagogue, or guide of souls, the initiating medicine man of the primitive forest sanctuaries of trial and initiation. It was my choice as much as yours.

International Literary Conference. We briefly meet many other characters, via fragmented, information-rich chapters devoted solely to world-building.
