## **Postcolonial Discourse and Changing Cultural Contexts: Theory and Criticism**

But over the next few centuries, Western thinkers like John Locke, who adopted his approach, began to imagine a new kind of political order in which power would be limited, divided and widely shared; in which those in power at one moment would relinquish it peacefully at another, without fear of retribution; in which public law would govern relations among citizens and institutions; in which many different religions would be allowed to flourish, free from state interference; and in which individuals would have inalienable rights to protect them from government and their fellows. Paul Sadler bornstate representative, Democrat U.
