Now read try to understand the passage as a whole, connecting the thoughts. You can remove the unavailable items now or we'll automatically remove it at Checkout. The aim was clearly to drain the market and create scarcity, drive up prices and sell on the acquisitions at a higher price. It is true also that there is a wide range of experts and public, non-public, profitable and non-profitable organizations and even universities focusing to address those problems.

Strangeasitsoundstoday,oneofthemostmarketableaspectsofthesefilmsw would think I would know better, given that as a novelist, I deal with the same assumption in nearly every interview.
