Obligation lay there, but true connection lay there also: roots, family, the personal and historical past. He can get any girl he wants, and she doesn't know how to lose.

## **Dogs I Have Met: And the People They Found**

Although terribly painful, this process culminates in the separation of mind and body with the approach of death, which eventually implies a final image of freedom Campbell. Once the initial shock and fear are overcome, the protagonist develops a growing interest in her process of transformation, and the detailed descriptions of her changing body result in a fruitful dialogue with the natural field of geology: Her cheeks were beginning to sprout silicone flakes and dendrite fibres, [...] There were droplets of alabaster and peridot clustering in her grey hair [...] She stood there and let the thick streams of water run over her body and down inside her flimsy garments, streaking her carnelian nipples and adamantine wrists.
