This book will inspire us to nurture our relationships through passionate and thoughtful thinking and will remind us that love is not only out there, but all around us. Although one might disagree with certain policy decisions of the 52 The Rise and Fall of the German Democratic Republic Adenauer administration—such as allowing individuals with a problematic past to achieve high positions in government—one can hardly accuse either the government or its followers of trying to evade moral responsibility for the events of the past.

Wherever you travel in the United States, expert help from Poison Control is just a click or phone call away.

If, in general, the faculty of understanding is that which supplies concepts
