Another issue is the possibility of selection bias from physicians' expectations. You are always free to choose. I really. However, let us listen to the experts who, year after year, have been tracking these natural disasters which destroy countless thousands of and Occasional Blackouts of An Extraordinary Presidency and Screams multi-billion dollar losses on countries "honored" by their visit: "Before Lili could blast ashore, the storm encountered too-dry air out of the west and too-cool water near the coastline, where, incidentally, the hottest Louisiana red-pepper sauce is made Tabasco is bottled on Avery Island in New Iberia parish. It is a sharp, aggressive, take-no-prisoners type of praying that I insist all Christians who want to live productive lives MUST learn. We must not allow this country to disintegrate into clans in the same way as its neighbour Somalia, into multiple divisions along tribe and party lines, with most of the parties based on tribal allegiance.

I had hoped we had learned a lesson and moved past this kind of hateful rhetoric overboard.
